

Charter Cancellation Policy

Regularly Scheduled Charters:

All charters require a credit card or cash deposit to reserve a seat.

A 48 hour cancellation policy applies, you must cancel your reservation 48 hours prior to the trip to receive a refund. The reason for that is that you have prevented some other diver from making the trip. If there is an extenuating circumstance please don't hesitate to discuss it with us.

Private charters:

A 14 day cancellation policy applies to your private charter reservation.

You must cancel your trip 14 days prior to the scheduled date to receive a refund of your deposit. Cancellation of private charters less than 14 days before the trip and "no shows" will be charged the agreed private charter rate unless re-booking is possible.

The Captain reserves the right to cancel a trip for any reason he deems necessary.

If the Captain cancels the trip prior to the trip departing, or due to conditions at Sea, a full refund will be granted. If passengers choose to suspend the trip, a fee will be charged. If the Captain has to suspend the trip due to a diver's conduct, that diver will be charged full price.
